

Still (acoustic)

Matt Nathanson

Still I remember hearts that beat yeah, yeah
I remember you and me, yeah, oh yeah
Tangled in hotel sheets
You wore me out
You wore me out I remember honey lips and words so true
I remember nonstop earthquake dreams of you
You're coming on fast like good dreams do
All night long Still can feel you kiss me love
Still can see your brown skin shine, shine
Still can feel you kiss me love
Come on and drive me wild (me wild) And you move like water, yeah
And you broke like waves
I've never been deeper, so far gone
Your sister in the next room with the television on Still can feel you kiss me love
Still can see your brown skin shine, shine
Still can feel you kiss me love
Come on and drive me wild (me wild) Come on and drive me wild
Come on and drive me wild I remember hearts that beat, yeah
I remember you and me
Tangled in hotel sheets (for hours) Still can feel you kiss me love
Still can see your brown skin shine, shine
Still can feel you kiss me love
Come on and drive me wild (me wild) Still can feel you kiss me love
Still can see your eyes like diamonds, diamonds
Memories are strong enough
To come on and drive me wild
Come on and drive me wild
