

# NBA (feat. Wiz Khalifa & French Montana)

## Joe Budden

Bitch I'm ballin', bitch I'm ballin', racked up, no wallet  
Keep a bad bitch in my team, I should join the league  
NBA, never broke again, never going broke again  
NBA, never broke again, never going broke again  
'Cause bitch I'm ballin', bitch I'm ballin'  
I fuck her once, don't call her  
My niggas gettin' that green, we in a different league  
NBA, never broke again, never going broke again  
NBA, never broke again, never going broke againGot so much money I got racks on racks on racks on racks  
racks  
Bitch so much money my shit stacks on stacks on stacks on stacks on stacks  
You see me smokin' and you know I got that pack, I got that sack  
I got that O, I hit the club I lose control  
I smoke that loud, I know the grower  
Ball like the owner  
Hit this gin make things move slower  
I'm never sober  
Roll some weed our eyes gets lower  
I'm in my old school  
Ride it sound just like a newer motor  
They're wondering how I get these mills and still live like a stoner  
No other way, I get a 100k from each promoter  
Or more than that, hold up  
Money long it don't fold up  
Let me get some gin pour up  
Got some bomb weed roll up  
Niggas got their gang thrown' up  
These niggas got their game, they got it from us  
I'm with my gang and my niggas go nuts  
You talkin' money, best believe I show up  
And all the real niggas know usBitch I'm ballin', bitch I'm ballin', racked up, no wallet  
Keep a bad bitch in my team, I should join the league  
NBA, never broke again, never going broke again  
NBA, never broke again, never going broke again  
'Cause bitch I'm ballin', bitch I'm ballin'  
I fuck her once, don't call her  
My niggas gettin' that green, we in a different league  
NBA, never broke again, never going broke again  
NBA, never broke again, never going broke againTalkin' money but walkin' funny

Is it any reason why y'all starvin'  
 I smell bull and by smelling force  
 Do I really need to beg your pardon?  
 My jersey say James I don't play games  
 Like 'Bron when he in that Garden  
 Now wait, I said that all wrong  
 She don't need to rock when I put my hard in  
 My new nickname is just watch  
 Might not join might just watch  
 New yacht master just a watch  
 Doubtin' me I tell 'em just watch  
 Them diamonds yellow them beams are red  
 And them hands tucked, they don't show  
 Plus them shooters with me got the green light  
 So why the fuck you don't think they won't go?  
 Hold up, your chick traded post game  
 And it's no shame she felt your man  
 She probably on Joe Johnson  
 'Cause I don't never be on that Elton Brand  
 It's YSL, she's fly as hell  
 Tell the come to go to my ride  
 You can't blame hoes ain't Peter Rose  
 Now she a thorn in my side, grow up  
 P-R-P-S is over my Timbs  
 Way shorty blew me out, it was only right I showed her my bench  
 Let my mans hit, when the fan hit  
 We spendin' all these bills on liquor  
 Figured Jersey love his teams  
 But still we got the realest niggas, Joey. Bitch I'm ballin', bitch I'm ballin', racked up, no wallet  
 Keep a bad bitch in my team, I should join the league  
 NBA, never broke again, never going broke again  
 NBA, never broke again, never going broke again  
 'Cause bitch I'm ballin', bitch I'm ballin'  
 I fuck her once, don't call her  
 My niggas gettin' that green, we in a different league  
 NBA, never broke again, never going broke again  
 NBA, never broke again, never going broke again Keep a bad bitch on my team  
 Got 'bout 5 ounce of that lean  
 My chain blue-ray on that screen  
 I spent two days countin' that cream  
 Got bout five acres on my doorway  
 Your main bitch is my throw away  
 Got bout eight whips they brainless  
 My main bitch like shorty  
 Got my top down her hair out

Isolation and she clear out  
Fast break my bread straight  
One hand shake and I bail out  
Hit streets corner bitches callin' tell 'em bring a friend  
Derrick Rose ballin bitch never goin' broke again  
Deuces fade on my shades  
Clear ice they skate  
LeBron James on that break  
Real estate with that lake  
Shootin' from half court got you by a long shot  
Montana, that nigga from the Bronx blockBitch I'm ballin', bitch I'm ballin', racked up, no wallet  
Keep a bad bitch in my team, I should join the league  
NBA, never broke again, never going broke again  
NBA, never broke again, never going broke again  
'Cause bitch I'm ballin', bitch I'm ballin'  
I fuck her once, don't call her  
My niggas gettin' that green, we in a different league  
NBA, never broke again, never going broke again  
NBA, never broke again, never going broke again
