Falling In Love (Uh-Oh)

Miami Sound Machine

Two of hearts, lace and satin, something in the air
Feel like another crook that's been captured by your stare
Chorus:
Uh-oh, uh-oh - falling in love, falling in love again
Uh-oh, uh-oh - an' I don't want it, no no no
Uh-oh, uh-oh - falling in love, falling in love again
Uh-oh, uh-oh - falling, falling
Jealous feelings reappearing, such a wicked day
I'm just so damn confused an' I wonder, do you care?
chorus
Like walking in the park or dancing in the dark
Just wanna hold you thruout the night
Prince of fire, smooth desire, with your devil may care
Release me from your spell, I don't want this, love ain't fair
I'm falling in love again
Uh-oh, uh-oh - falling in love
Uh-oh, uh-oh - falling, falling
Uh-oh, uh-oh - falling in love, falling in love again (repeats out)
chorus repeats
