

Superheroes, Human After All, Rock'n Roll

Daft Punk

[illegible]

In the air, something's, In the air, something's, In the air, something's We are Human, after All,
Much in common, after All.

We are Human, after All,
Much in common, after All.
We are Human, after All,
Much in common, after All.
We are Human, after All,

Much in common, after All.Human, human, human, human, human, human, human, human, human, human, human,
human, human, human, Human, human, after all

[illegible][illegible][illegible][illegible]

Human, human, human, human, human, human, human, human, human, human, human, human, human, human,
Human, human, after all In the air, something's, In the air, something's, In the air, something's

In the air, something's, In the air, something's, In the air, something's
In the air, something's, In the air, something's, In the air, something's
In the air, something's, In the air, something's, In the air, something's

In the air, something's, In the air, something's, In the air, something's In the air, something's, In the air,

something's, In the air, something's
In the air, something's, In the air, something's, In the air, something's
In the air, something's, In the air, something's, In the air, something's
In the air, something's, In the air, something's, In the air, something's
In the air, something's, In the air, something's, In the air, something'sIn the air, something's, In the air,
something's, In the air, something's
In the air, something's, In the air, something's, In the air, something's
In the air, something's, In the air, something's, In the air, something's
In the air, something's, after all
