What I Had in Mind

The Wild Reeds

What happens when your safe place leaves?
What happens when the one you trust wont hear your plea?
What happens when your day dreams end?
You lose all the comfort youâ€™d invested inâ€¦.

I Dreamâ€¦â€¦. That someday Iâ€™ll find the peace I need.
It Seemsâ€¦â€¦ That my nightmares always end with these things.
And I try to buck it up, but I wont forget the fall.

What happens when your lovers gone?
What happens when it donâ€™t go just the way you thought.
What happens when the matâ€™s pulled out?
Youâ€™ve fallen and you donâ€™t know how to face the crowdâ€¦.

What a shockâ€¦. What a scamâ€¦.
Two nights ago I was holding you inâ€¦.
What a cragâ€¦. What a jokeâ€¦.
Donâ€™t know if I should pat you on the back or watch you go.
And I try to buck it up, but I wont forget the fall.

This is not what I had in mind when I told you Iâ€™d be by your side.
No, this is not what I had in mind when I told you I would always try.
No, this is not what I had meant when I asked you if youâ€™d be my man.
This is not what I had planned when I told you Iâ€™d be your woman.
Noâ€¦ no, noâ€¦.. No, no noâ€¦â€¦â€¦.. I wanted you, so.
My hope was strong but overpowered by a boy whose faith was swallowed by his doubt.
