

# Booty Man

Craig David

One two buckle my shoe  
Three four step inside the venue and I  
See in the corner of my eye  
This beautiful girl  
That's standing by the bar looking fly  
She was like a beauty queen out of a magazine  
Looked about 19  
Five minutes talking next thing  
It's her number being written[Chorus:]  
If you're looking for the man that can  
Go check all the girls messing up with your program  
With lyrics that make you say damn  
The booty man can  
Click off, click on www.CD.com  
International bomb  
The booty man's really got it going onOne two unbuckle my shoe  
Kissing and cuddling  
At my crib after the venue and I  
Didn't want to take it too fast so I said slow slow  
I gotta make some calls so keep it down low  
She was like I can't believe you want to talk instead  
Of making love to me  
Five minutes chillin', next thing it's my name she's calling[Chorus]Bomb bomb the booty man, booty man's  
really got it goin'  
On on the booty man, booty man's really got it going  
Bomb bomb the booty man, booty man's really got it going on  
On on the booty man, booty man's really got it going on[Chorus x 3]
