# Veteran Cosmic Rocker

## The Moody Blues

The lights go down
The stage is set
The man in the wings breaks out in sweat
A backstage joker spiked his coke
While the dressing room was full of smoke
A crowd of fools got him high
He's afraid he's gonna die
He's the apple of their eye

He steps into the remaining light
The crowd go wild
He's outa sight
Arms held high in the sign of peace
His manager signed the one night lease
The house is full getting high
He's afraid he's gonna die
He's the apple of their eye
(He struts, he strolls)
(His love is rock 'n' roll)
He's the VETERAN COSMIC ROCKER

He steps into the remaining light
The crowd go wild
Arms held high in the sign of peace
His manager signed the one night lease
The house is full getting high
He's afraid he's gonna die
He's the apple of their eye
(He struts, he strolls)
(His life is rock 'n' roll)
He's the VETERAN COSMIC ROCKER
He's afraid that he will die
