Blur The Technicolor

White Zombie

Give me your hand, give me your hand

Give me your hand, give me your hand

Give me your hand and you gonna get itGive me your hand, give me your hand

Give me your hand, give me your hand

Give me your hand and I know what you gonna doFalling down I am a psychoholic

Erratic and sure I cannot fail

Replay slow smooth and automatic

Go easy riding danger Yeah, two guns west I ride an instamatic

Polaroid rat crucifixion nail

Antenna down cruising in the deep red

Mouth of a demon angelGive me your hand, give me your hand

Give me your hand, give me your hand

Give me your hand and I know what gonna doStraight to the top sadistic or anything

Acid eat the face of night, strip to the bone

Release me violate eye of God

A goddamn, rightGive me your hand, give me your hand

Give me your hand, give me your hand

Give me your hand and you gonna get it Yeah, falling down, I am a psychoholic

Erratic and sure I cannot fail

Sit them there and sink into the deep red

E-Z riding dangerShadow play, I blur the technicolor

Keep 'em running-go-demolition way

Going down deep into a hole

Called love of a demon angelGive me your hand, give me your hand

Give me your hand, give me your hand

Give me your hand and I know what you gonna doYeah, falling down, I am a psychoholic

Erratic and sure I cannot fail

Sit them there and sink into the deep red

E-Z riding dangerShadow play, I blur the technicolor

Keep 'em running-go-demolition way

Going down deep into a hole

Called love of a demon angelGive me your hand, give me your hand

Give me your hand, give me your hand

Give me your hand and I know what you gonna doGive me your hand, give me your hand

Give me your hand, give me your hand

Give me your hand and I know what you gonna doGive me your hand, give me your hand

Give me your hand, give me your hand

Give me your hand and you gonna giveGive me your hand, give me your hand

Give me your hand, give me your hand

Give me your hand and I know what you gonna doGive me your hand, give me your hand
Give me your hand, give me your hand
Give me your hand and you gonna give
