

# L.O.V.E. Machine (remix)

W.A.S.P.

Lady have you known me-  
The perfect love machine,  
I'm Virgo, My Leo's rising  
Venus made me King  
That trail of broken hearts  
They all belong to me  
Magic runs through my fingers-  
One touch you'll see L.O.V.E All I need's my love machine  
L.O.V.E All I need's my love machine tonight What can I do for you,  
Am I your wildest dream  
What do I move in you  
Am I what I seem  
My eyes they lie and you cry  
Love brings you pain  
And if you try to love me  
You'll not feel the same L.O.V.E All I need's my love machine  
L.O.V.E All I need's my love machine tonight
