The Spirits

Hamza El Din

you are me
I am you
Because I love you
And you love me
yours is mine
And mine is yours
we are all one
two in one
it is not your doing
it is not my doing
HIS own doing, the
Almighty up above
We beat the time
Kumban Kashi x2
And the big
Jewel in your
Ankle goes
King Killing x2
And we go
Kumban Kashi
we go down
to the river
And we come up
we look over
our shoulders
But no
Kumban Kashi
King Killing.
