

Death Messiah ('94)

Ancient Rites

Death Messiah
You're the one
Occult dreams
aren't your goal
Why you preach the Black Book
When handcuffs & whips are
 Your game
Death Messiah
 Your religion
 Only an excuse
Death Messiah
 Diabolic desires
are your major concern
Death Messiah
You're the king in your
 morbid phantasies
Death Messiah
 You're insane
In your sick reality
 (you reign)
 Die for
 Die for
 Die for HIM!
