

# Louisiana Blue

**Radney Foster**

This Pain --- Is Deeper Than The Ponchartrain  
Now That I'm Alone Again After Losing You  
I'm Going Down To Basin Street  
Where The Broken Dreamers Meet  
Where My Broken Heart Can Beat Louisi-ana BlueChorus:  
(Where) Those Muddy Bayous Run Just As Black As Coca Cola  
Ain't No Other Place I Can Be Bluer That I Know Of  
Gonna Pack My Bags Turn Up My Collar Put On My Travelin' Shoes  
Go Down To New Orleans And Turn Louisi-ana BlueYou Should See This Heart That You Re-turned To Me  
Now It Only Yearns To Be On The Next Train Through  
I Just Want To Disappear Heading South A-way From Here  
Running 'Til I Turn My Tears Louisi-ana BlueRepeat ChorusInstrumental Break:  
I'm Gonna Pack My Bags Turn Up My Collar Put On My Travelin' Shoes  
Go Down To New Orleans And Turn Louisi-ana Blue  
I'm Gonna Raise The Mississippi River Crying Over You  
Go Down To New Orleans And Turn Louisi-ana Blue
