Foals

Calling all kids, this is our spear
It's on track to call yourself
A hero now, a hero then
You come on yourself like some wayGo sideways, wait late there
Like some kind of ocean takes you there
Takes you there, takes you there
Takes you thereTurning calendar down
Calendar down, calendar down
The hood to turn it down, oh
To turn it down, oh
To turn it down, ohTurning calendar down
Calendar down, calendar down
The hood c-count me out, oh
C-count me out, oh
C-count me out, ohSide way, we'll go sideways
Calling all kids on and on
And on, and on, and on, and onSide way, we'll go sideways
Calling all kids on and on
And on, and on, and on, and on
And on, and on, and on, and on
And on, and on, and on, and onGo sideways, go sideways, sideways, sideways
Wait to twelve for sideways
For sideways, sideways to show
Show himself for sidewaysFor sideways, sideways, sideways
Wait to seven, wait to seven
Wait to seven, to seven
To seven to showTurning calendar down
Calendar down, calendar down
The hood, to turn it down, oh
To turn it down, oh
To turn it down, ohTurning calendar down
Calendar down, calendar down
The hood, c-count me out, oh
C-count me out, oh
C-count me out, oh
