

# The Day The Rains Came

**Merle Haggard**

Your strange love was what I found, the day the rains came down  
And I remember we found shelter in the cave  
With the rain clouds up above, in the darkness we found love  
The day the rains came I became your slave As the rains made rivers swell, I fell deeper in your spell  
You took my hand and handed me a crown  
But if I could just live on with these things I have known  
(The rains came, the rains came)  
I know that I'd be glad of what I've found  
(The rains came down) As the rains made rivers swell, I fell deeper in your spell  
You took my hand and handed me a crown  
But if I could just live on with these things I have known  
(The rains came, the rains came)  
I know that I'd be glad of what I've found  
(The rains came down) Your strange love was what I found  
(The rains came)  
The day the rains came down
