

You Are Holy

Victory Cathedral Choir

(Choir)

You are holy

You are worthy

And we give your name the praise

We lift our hands in worship

And we bless your wondrous name

(Lead)

You are holy

you are worthy

And we give your name the praise

We declare your might and power

And declare your righteous name

(Choir)

You are holy

You are worthy

And we give your name the praise

We lift our hands in worship

And we bless your wondrous name

(Lead)

Love eternal

Grace forever

God of mercy, strength and truth

We declare your grace and power

For there's no one else like you, for there's no one else like you

Holy, Holy Holy, Holy,

Oh God there's none like you

(Choir)

Holy, Holy, Holy, Holy,

Holy, Holy, Holy, Holy,

Holy, Holy, Holy, Holy,

Holy, Holy, Holy, Holy,

Holy, Holy, Holy, Holy,

Holy, Holy, Holy, Holy,
