

# We Built This City (Glee Cast Version)

## Glee Cast

Clint with Vocal Adrenaline:

We built this city  
We built this city on rock and roll  
Built this city  
We built this city on rock and roll

Say you don't know me or recognize my face  
Say you don't care who goes to that kind of place  
Knee deep in the hoopla, sinking in your fight  
Too many runaways eating up the night

Marconi plays the mambo  
Listen to the radio  
Don't you remember?

We built this city  
We built this city on rock and roll

We built this city  
We built this city on rock and roll  
Built this city  
We built this city on rock and roll

Someone's always playing corporation games  
Who cares, they're always changing corporation names  
We just want to dance here, someone stole the stage  
They call us irresponsible, write us off the page

Marconi plays the mambo  
Listen to the radio  
Don't you remember?

We built this city  
We built this city on rock and roll

We built this city  
We built this city on rock and roll  
Built this city  
We built this city on rock and roll

Clint (Vocal Adrenaline):  
It's just another Sunday (Oh-oh)  
In a tired old street (Oh-oh)  
Police have got the choke hold, oh (Oh-oh-oh-oh-oh-oh)

Clint with Vocal Adrenaline (Vocal Adrenaline):  
Then we just lost the beat

Marconi plays the mambo  
Listen to the radio  
Don't you remember?

We built this city  
We built this city on rock and roll

We built this city (Oh-oh-oh, oh-oh)  
We built this city on rock and roll (ooh)  
Built this city (Oh-oh-oh, oh-oh)  
We built this city on rock (Ooh)

We built this city (Oh-oh-oh, oh-oh)  
We built this city on rock and roll  
Built this city (Oh-oh-oh, oh-oh)  
We built this city on rock and roll (Ooh)

We built this city
