Catarina

Joe Purdy

You and I
We didnâ€™t work out
Darling that was only the first round
If itâ€™s true love then try, try again
Would you really expect for us to win right away?
You know they say
Catarina wonâ€™t you come and run with me now?
We donâ€™t deserve this
Second chance at this
Step up and take a weekend
Well we could pop a train or a one-way ticket out
We can just get in my piece of shit car and drive all night â€˜til the gas runs out
We could stay right here, watch the city cave in
Lick our wounds until theyâ€™re warm again

And I donâ€™t care anymore who sees this mess
â€˜Cause youâ€™re the only one Iâ€™m trying to impress here
My dear, Catarina
Wonâ€™t you come and run with me now?
No, we donâ€™t deserve this
Second chance for this
Step up and take a weekend
Step up and take a weekend

You and I, Catarina
Wonâ€™t you come and run with me now?
No, we donâ€™t deserve this
Second chance for this
Step up and take a week
Take it and run with me
Step up and take a weekend
Weekend
