

Yellow Man

[Randy Newman](#)

Very far away in a foreign land
Live the yellow woman and the yellow man
He's been around for many a year
They say they were there before we were hereEatin' rice all day
While the children play
You see he believes in the family
Just like you and meOh, yellow man, oh, yellow man
We understand, you know we understand
He keeps his money tight in his handWith his yellow woman he's a yellow man
Got to have a yellow woman
When you're a yellow man
