

# Give Love A Try

## Jonas Brothers

You, you like driving on a Sunday  
You, you like taking off on Monday  
You, you're like a dream, a dream come true  
I was just a face you never notice  
Now I'm just trying to be honest  
With myself, with you, with the world  
You might think that I'm a fool  
For falling over you  
So tell me what I can do to prove to you  
That it's not so hard to do?  
Give love a try, one more time  
'Cause you know that I'm on your side  
Give love a try, one more time  
How did it play out like a movie?

Now every time you speak it moves me  
And I can't get your smile off my mind  
And your eyes, when I saw 'em for the first time  
Knew that I was gonna love you for a long time  
With a love so real, so right  
Well, you might think that I'm a fool  
For falling over you  
So tell me what I can do to prove to you  
That it's not so hard to do?  
Give love a try, one more time  
'Cause you know that I'm on your side  
Give love a try, one more time  
One more time
