

I'm Falling

Dead or Alive

I'm falling, catch me if you can
Dodging undirected bullets in somebody else's wars
But I don't know what for
I don't know what for.

I'm falling, stepping out of life
Blending notes to suit rhythms
Breaking rules to suit myself but never losing time,
Never losing time

As I go
Down (x6)
Down (x6)
Down (x6)
Down (x4)
I rise up

I'm empty, fill me if you can
You can fill a woman full of child,
Plant a forest full with trees
But how do you fill a man
How do you fill a man?

I'm wounded, heal me if you please
We bleed inside each others wounds
Straight from the cradle to the tomb
I'm down on bended knees
Down on bended knees

I go
Down (x6)
Down (x6)
Down (x6)
I rise up

I, I, I, I rise up
I, I, I, I rise up

I'm falling, watch out down below
I am soaring through the air

It's a very abstract feeling and
I don't know where I land, I don't know

As I go
Down (x6)
Down (x6)
Down (x6)
Down (x6)
Down (x6)
Down (x6)

Catch me if you can (x2)
If you can (x3)
