

September Gurls (Studio Rehearsal)

Big Star

September girls do so much
I was your Butch and you were touched
I loved you, well, never mind
I've been crying all the time
December boy's got it bad
December boy's got it bad September girls, I don't know why
How can I deny what's inside
Even though I'll keep away
They we'll love all our days
December boy's got it bad
December boy's got it bad When I get to bed, late at night
That's the time she makes things right
Ooh when she makes love to me September girls do so much
I was your Butch and you were touched
I loved you, well, never mind
I've been crying all the time
December boy's got it bad
December boy's got it bad
December boy's got it bad, woo ooo
