

We Are Enough

Melt Yourself Down

I say we just seen, a lie can result

I say we just seen, a lie can result

Together we will run, a light stick of dawn

Arise filthy words, in next to size of ...

Oh yeah, oh yeah, oh yeah,

We say we seen, a lot of screamings on

We beat it up what I can, and scream, scream again I say we are enough, I say we are enough, I say we are
enough

Oh yeah, oh yeah, oh yeah,

La la la la la la la la la la la la la la la la la la

La la la la la la la la la la la la la la la la la la

Oh yeah, oh yeah, oh yeah.
