

A Different Beat

Boyzone

Let's not forget this place
Let's not neglect the our race
Let unity become
Life on earth be one So let me take your hand
We are but grains of sand
Born through the winds of time
Given a special sign So let's take a stand
And look around us now, people
So let's take a stand
And look around us now, people Eeyeah, oh, eayeh, oh, eayeh
(And the world is turning)
Oh, by, yah to a different beat Eayeh, oh, eayeh oh, eayeh
(And the world is turning)
Oh, by yah
(To a different beat) Humanity's lost face
Let's understand its grace
Each day one at a time
Each life including mine So let's take a stand
And look around us now, people oh, people oh people I've seen the rain, fall in Africa
I've touched to snow of Alaska
(Oh tell me now)
I've felt the mists of Niagara
Now I believe in you I've seen the rain, fall in Africa
I've touched to snow of Alaska
(Oh tell me now)
I've felt the mists of Niagara
Now I believe in you How far we've come and how far to go
Rain does not fall on one roof alone
(To a different beat)
