

# **Solidify**

## **Spindle**

Pouring in and around the great wellspring  
Of simple feeling  
And I need bearings in the face of your  
Cool, cool fire  
Walking backwards with the pounding of your voice  
Makes my soul tired  
And concrete is as concrete  
Doesn't and voices can drown  
Why should I? Why should I?  
Why should I? Why should I?  
Solidify, make me real  
So you can see me  
I guess you thought I'd hide the sun from  
My liquid thoughts and make ice for you  
You thought I'd seed my clouds  
With the rain of your personal dreams  
I guess you thought I'd throw confetti  
At your parade of lofty thoughts  
I guess you thought I'd shine good mornin'  
In some good mornin' jack surprise  
Why should I? Why should I?  
Why should I? Why should I?  
Solidify, make me real  
So you can see me  
Pouring in and around the great wellspring  
Of simple feeling  
And I need bearings in the face of your  
Cool, cool fire  
Walking backwards with the pounding of your voice  
Makes my soul tired  
And concrete is as concrete  
Doesn't and voices can drown  
Why should I? Why should I?  
Why should I? Why should I?  
Solidify, make me real  
So you can see me  
See me, see me so clearly  
Why should I?  
I need bearings in the face of your

Cool, cool fire  
Why should I?  
Why should I?  
Solidify
