Olivia

The 502s

I see Olivia, in the fire, in the flood.
I see Olivia, just watching from above
I see Olivia, I'm her diamond in her roof (?)
And I'll be there in the morning if she comes
There's nothing I could ever do to save you from the truth, oh,
I'm in love

I see Olivia, throwing her hands up in the air
I see Olivia, twirling 'round like she don't care
I see Olivia, just dancing like she does
And I'll be there in the morning if she comes
There's nothing I could ever do to save you from the truth, oh,
I'm in love

Chorus:
Any boy can give you all his love
But you don't know the things that I'm made of
I'll get up on my knee, treat you like a lady wants
There's a difference between lust and love

I see Olivia, as she walks across the floor
I see Olivia, and I wander through the door
I see Olivia, and I'm drowning in her flood
And I'll be there in the morning if she comes
There's nothing I could ever do to save you from the truth, oh,
I'm in love

Chorus:
Any boy can give you all his love
But you don't know the things that I'm made of
I'll get up on my knee, treat you like a lady wants
There's a difference between lust and love
There's a difference between lust and love
There's a difference between lust and love
There's a difference between lust and love

Any boy can give you all his love
But you don't know the things that I'm made of
I'll get up on my knee, treat you like a lady wants
There's a difference between lust and love

There's a difference between lust and love
There's a difference between lust and love

There's a difference between lust and love.
