Class System

Handsome Boy Modeling School

Yes, I got it all
Prestige, class, fortune
Good help is so hard to find
Except my tennis pro
('Cuz my husband doesn't know)They're all trapped in the system
Unbeknownst to them
They're trapped with no glass
Hello thereThey're all trapped in the system
Unbeknownst to them
They're trapped with no glass
Hello thereI give too many charities
It's just a tax write off
They breed, just like rats it seems
Why don't they get a jobThey're all trapped in the system
Unbeknownst to them
They're trapped with no glass
Hello thereThey're all trapped in the system
Unbeknownst to them
They're trapped with no glass
Hello thereI mean really it's so simple for them
We're the one who's paying the rent
And their food and all the taxes
And my God what more do they wantMoney, money, money, money, money
Money, money, money, money, money
It makes the world go roundThey're all trapped in the system
Unbeknownst to them
They're trapped with no glass
Hello thereThey're all trapped in the system
Unbeknownst to them
They're trapped with no glass
Hello thereThey're all trapped in the system
Unbeknownst to them
They're trapped with no glass
Hello thereThey're all trapped in the system
Unbeknownst to them
They're trapped with no glass
Hello thereI was bred to be special
And you're not one of us
So don't try to fit in

We'll just laugh you awayI get melancholy sometimes
My shrink says, "I'm repressed"
I'm just like my mother, I guess
Same class, wealth, bland husband
