

# It's Goin' Down

## X-Ecutioners

Watch them flee  
Watch them flee  
Watch them flee  
Hip-Hop hits  
And you do it like thisIts going down, its going down  
Its going down, its going down  
Its going down, its going down  
Its going downIts going down  
The rhythm projects round the next sound  
Reflects the complex hybrid dialect now  
Detect the mesh of many elements compressed down  
The melting pot of a super-futuresque styleThe combination of a vocal caress  
With lungs that gasp for breath from emotional stress  
With special effects and a distorted collage  
Carefully lodged between beats of rhythmic barrageIts going down  
The logical progression on a the timeline  
The separation narrowed down to a fine line  
To blur the edges so they blend together properly  
Take you on an audible odyssey, nowIts going down  
The logical progression on a the timeline  
The separation narrowed down to a fine line  
To blur the edges so they blend together properly  
Take you on an audible odyssey, nowIts going down  
Put it out for the world to see  
LP and X-Men to the 10th degree  
Its going down, nobody in the world escapes  
When we melt down the wax in your record graveIts going down  
Put it out for the world to see  
LP and X-Men to the 10th degree  
Its going down, nobody in the world escapes  
When we melt down the wax in your record graveIts going down  
Put it up  
It said it goes like this  
And you do it like thisIts going down, once again it is  
Composed sentences all together venomous  
The four elements of natural force  
Projected daily through the sound of the sourceEverybody on board as we blend  
The sword with the pen  
The mightiest of weapons

Swinging right from the chinThe elevate of mental states  
 Long gone with the wind  
 To defend men for shoddy imitation pretends  
 Its going downStyle assimilation readily  
 Trekking through the weaponry of the pure pedigree  
 Cleverly seeing through whatever is ahead of me  
 Whatever the weather be, we invent the steadilyIts going down to sub-terrestrial high  
 I rhyme regiment thats calling the shots  
 Execution of collaborative plots  
 Ready to bring the separation of style to a stopIts going down  
 A logical progression on a the timeline  
 The separation narrowed down to a fine line  
 To blur the edges so they blend together properly  
 Take you on an audible odyssey, nowIts going down  
 Put it out for the world to see  
 LP and X-Men to the 10th degree  
 Its going down, nobody in the world escapes  
 When we melt down the wax in your record graveIts going down  
 Put it out for the world to see  
 LP and X-Men to the 10th degree  
 Its going down, nobody in the world escapes  
 When we melt down the wax in your record graveX-Men bout to blast of world wide  
 X-Men bout to blast of world wide  
 And you do it like this  
 X- Men bout to blast of world wideIts going down  
 Put it out for the world to see  
 LP and X-Men to the 10th degree  
 Its going down, nobody in the world escapes  
 When we melt down the wax in your record graveIts going down  
 Put it out for the world to see  
 LP and X-Men to the 10th degree  
 Its going down, nobody in the world escapes  
 When we melt down the wax in your record graveIts going down, its going down

 Its going down, its going down  
 Its going downIts going down  
 Put it up
