Out In the Woods

Leon Russell

Well, I'm goin' down, goin down a hard road
Just don't know, don't know where I've been
But I think I've been a-walkin', I'm a-walkin' 'round in circles
Can't even find a friendWoah, my love, my love, she is not waiting
Think I might've been gone, I've been gone too long
Look at the people, people make me crazy
I can hardly sing my songHustlers stand around me, I'm lost and all alone
Can't tell the bad from the good
I'm out in the wood then I'm lost in the woodBig city gamblers, gamblers take my money
Yes, it gets to be useless, yes, it's useless to me
And I think I'm lost, when I'm lost inside this jungle
Can't see the forest for the treesWell, pretty little woman come and get me
Try me, try me one more time
Yes and your sweet, your sweet understanding
Can't fix this broken heart of mine, yeahThe vultures fly around me, come and take me home
Can't tell the bad from the good
I'm out in the woods, then I'm lost in the woods[Foreign Content]
