Oath

Devour the Day

I would endure pain
and sow my own eyes shut
just to carry on
to get back to you
and for your sake
i'de crawl the ocean floor
i'd burn under the sun
to get back to you

don't give up
don't give up on me

one way or another
one way or another
No matter what it takes
or what i face
one way or another i'm coming home to you

i will listen to my beating heart
it shows me where to go
to get back to you
and no distance
has ever been too far
and no road is too long
to get back to you

don't give up
don't give up on me

one way or another
one way or another
No matter what it takes
or what i face
one way or another i'm coming home to you

don't give up on me
don't give up on me
don't give up
don't give up
don't give up

one way or another
one way or another
No matter what it takes
or what i face
one way or another i'm coming home to you

i'm coming home to you
