Only When You're Close

Zendaya

Only when youâ€™re close
Only when youâ€™re close

All this time you werenâ€™t even on my mind
Who wouldâ€™ve know that youâ€™d be
Be the one in a million I need

Wonâ€™t deny, I just want you by my side
Who wouldâ€™ve thought that Iâ€™d be
Be so incomplete with just me

[Chorus]
I canâ€™t catch my breath
Only when youâ€™re close
My heart drops on my chest
Only when youâ€™re close
I get so, get so wild
Only when youâ€™re close
I canâ€™t stop and I found
Itâ€™s only when youâ€™re, only when youâ€™re
Close, close

How do you make me feel like just us two
Can live in the world where we know
That we can be free and let go

Hold me tight, so tight that our hearts collide
We live in the world that we own
Yeah, Iâ€™m at a place I call home

[Chorus]
I canâ€™t catch my breath
Only when youâ€™re close
My heart drops on my chest
Only when youâ€™re close
I get so, get so wild
Only when youâ€™re close
I canâ€™t stop and I found
Itâ€™s only when youâ€™re, only when youâ€™re

Close, close

Only when youâ€™re close
Close
Only, only, only
Letâ€™s dance

Only when youâ€™re close
Itâ€™s only when youâ€™re, only when youâ€™re
Close, close
Close, close
