[Verse 1]

You're here

With the grace of the Saviour

With the heart of the Father

You're all we need You're here

With the hands of the Healer

With the power of Your Spirit

You're all we need [Chorus]

At the mention of Your Name

Every chain will break

I know everything will change Jesus! just the whisper of Your Name

Will silence wind and waves

At the mention of Your Name [Verse 2]

You're here

You're the Provider

All I've ever needed

Jesus, You supply You're here

Wonder-working power

Everything You breathe on

Coming back to life [Chorus]
