Gimmie Love

Collie Buddz

Yeh yunno, na, na, no

She gimme love, gimme love, gimme love. she gimme good love
Ay yuh seeds dem never sow
And she's a blessing from above my girl, yunno yuh good so
Anything you need leh meh know
She gimme love, gimme love, gimme love. she gimme good love
Ay yuh seeds dem never sow
And she's a blessing from above my girl, cool as the breeze blow
It's a joy fi watch the love grow

And she bless with the beauty
Pure fanciness she's a cutie
No stress no
She choose me
No? she nuh take the argument loosely
She solid as a rock, me choose she
But like when beres a sing " tempted to touch"
Likkle girl every time u pass me way
Words can't explain how meh love yuh so much
Me feel lit from night and from all day
Me would never break yuh heart no
So don't ya worry yuself meh girl
Me could never break yuh heart so
So no worry yuself me girl
Cause everytime you wanted love
Just let me kno baby girl
And I would be there to give it up
And I kno so yeh

She gimme love, gimme love, gimme love. she gimme good love
Ay yuh seeds dem never sow
And she's a blessing from above my girl, yunno yuh good so

And she's a blessing from above my girl, cool as the breeze blow

Yes she bless yes
God bless her with a cute face
But the personality of a charming rose
Like Assasin aseh " me no want no boring gyal"
Her sense of humour is what me love th most
Me wudda make time for a rainy day
Keep d gyal close so the love don't stray
And rumour that rise up me buss it like movado

Ay yuh seeds dem never sow
And she's a blessing from above my girl, cool as the breeze blow
