Surfing On a Rocket

Implex

Time for flying rockets
For silver jets
For surfing bombs
Surfing on a rocketDon't pray to go
Please take my hand
Don't get me down
Surfing on a rocketI'll be back one day
Just pray for me
I'm on my way
Surfing on a rocket5 4 3 2 1 0
No one can stop me to go
You'll never see me again
