I Won't Let You Fall

Helen Miller

Jesus said if you lean on me
Jesus said you can lean on me
Jesus said if you lean on me
And I wonâ€™t let you fall, if you just lean on me

Jesus said if you - lean on me
Jesus said if you just - lean on me
Oh! Jesus said you can - lean on me
I wonâ€™t let you fall; I wonâ€™t let you fall if you lean on me

Oh! I will bare your burdens if you - lean on me
Oh! Iâ€™ll bare your burdens if you just - lean on me
Oh! I know how to bare your burdens you can - lean on me
I wonâ€™t let you fall, oh; I wonâ€™t let you fall if you lean on me

And when the load gets heavy you can - lean on me
Oh! When the load gets heavy you can - lean on me
Oh! When the load gets heavy you can always - lean on me
I wonâ€™t let you fall; I wonâ€™t let you fall if you lean on me

Oh! Jesus said if you - lean on me
Oh! Jesus said if you just - lean on me
Oh! I heard Jesus say you can - lean on me
I wonâ€™t let you fall; I wonâ€™t let you fall if you lean on me
