

# La Dolce Vita

[Paul van Dyk](#)

We're walking like in a Dolce Vita  
This time we got it right  
We're living like in a Dolce Vita  
Mmm, gonna dream tonight  
We're dancing like in a Dolce Vita  
With lights and music on  
Our love is made in the Dolce Vita  
Nobody else than you  
It's our last night together with our love again  
Another light before we drown in darkness  
Say you'll never leave me now  
Say you're gonna love me  
It's our last night together with our love again  
Another light before we drown in darkness  
Say you'll never leave me now  
Say you're gonna love me now  
Haha!  
We're walking like in a Dolce Vita  
Mmm, gonna dream tonight  
We're dancing like in a Dolce Vita  
Nobody else than you  
It's our last night together with our love again  
Another light before we drown in darkness  
Say you'll never leave me now  
Oh, say you're gonna love me  
It's our last night together with our love again  
Another light before we drown in darkness  
Say you'll never leave me now  
Say you're gonna love me now
