Hanging off a Memory

Darko

We are the ones who will save you
I am the water
We are the ones to betray you
Drowning in laughterLove this lie
Live this lieClinging on for no good reason
Hanging off a memory
Clinging on for no good reason
When will we let this go?I'm not one to say you're lowly
I'm the one you will hate
I'm not one to fade so slowly
I'm the one you will hate
I'm not one to say I'm sorry
I'm the one you will hateI can't sleep for fear of fallingClinging on for no good reason
Hanging off a memory
Clinging on for no good reason
When will we let this go?I'm not one to say you're lonely
I'm the one you will hate
While you live in failed glory
I'm the one you will hate
I'm not one!I can't sleep for fear of fallingClinging on for no good reason
Hanging off a memory
Clinging on for no good reason
When will we let this go?
