

# Jesus, She's a Good Girl

[Andy Shauf](#)

And so it seems  
I will see you once again, in my dreams  
Its sort of strange  
You only haunt me when I'm trying  
to leave you behind  
Why you always make me a liar, when I'm trying to tell the truth?  
Jesus, she's a good girl, I don't want to ruin her  
The whisper wings  
in the middle of the morn  
Lick her rists
