

14 Reasons

Masha Qrella

Fourteen reasons why it's nice to love you
I counted them all exactly here

Fourteen reasons why I like to love youoo
but not one that shows

Whhhhhhyyyyyyyy ammmmm IIIII
excited only by a look at you

Stilllllll IIII don't know why
but your love is the most precious thing I ever knew

The most precious..... thing that I ever.....

Fourteen reasons why I'll miss you when youâ€™re gone
I'll remember each exactly here

Fourteen reasons I can spell them when I sleep
but there incomplete but one that shows

whhhhhhyyyyyyyy ammmmm IIIII
excited only by a look at you

Sttiiillll IIII donâ€™t know why
but your love is the most precious thing I ever knew

The most precious.... thing that I ever....
The most precious.... thing that I ever....
