

# Pump It Up

## Mudhoney

I've been on tenterhooks  
Ending in dirty looks  
Listening to the muzak  
Thinking about this and that  
She said, that's that  
I don't want to chitter-chat  
Turn it down a little bit  
Or turn it down flat

Pump it up  
When you don't really need it  
Pump it up  
Until you can feel it

Down in the pleasure center  
Hell bent or heaven sent  
Listen to the propaganda  
Listen to the latest slander  
There's nothing underhand  
She wouldn't understand it

Pump it up  
Until you can feel it  
Pump it up  
When you don't really need it

She's been a bad girl  
She's like a chemical  
Though you try to stop it  
She's like a narcotic  
You want to torture her  
You want to talk to her  
All the things you bought for her  
Putting up your temperature

Pump it up  
Until you can feel it  
Pump it up  
When you don't really need it

Out in the fashion show  
Down in the bargain bin  
You put your passion out  
Under the pressure pin  
Fall into submission  
Hit-and-run transmission  
No use wishing now for any other sin

Pump it up  
Until you can feel it  
Pump it up  
When you don't really need it

Don't really need it  
Pump it up  
Don't really need it  
Pump it up
