

# Anytime

Ray J

Yeah, you know what this is  
You granted all my wishes  
And dammit, I'm gonna miss it  
If we fade away  
I don't wanna be down  
Lovin' you, I have found  
Girl, I want you around  
Always

(Don't you believe that)  
Nobody needs you 'cause I do  
I need all of you baby  
(If you can see that)  
Nobody needs you like I do  
I need all of you baby

[CHORUS]

Anytime I'm needin' someone  
I think of you for comfort, can you feel me  
Anytime you're feelin' down  
Or need a friend for comfort, can you feel me

Oh ain't no need for frontin' baby girl, I believe  
And everything you're doing, shorty know this  
You play a real big part in keepin' me on my feet  
And I love you so much, I won't blow this

[CHORUS]

Ain't no way I'll ever be through with you  
Baby, let me know if we can make it  
'Cause I wanna be there baby, can I be there  
Anywhere, I don't care

[CHORUS: x3]

Girl, whenever I'm down  
I think of you to lift me up  
And if you ever need a friend  
If you ever need someone to talk to

I'm right here  
I'll never leave  
I love you
