

Greater

Todd Dulaney

Almighty Saviour
You never fail
You hold all power There's never a challenge
Or a need to worry
We always win You're great
And there's no one like you
You're true
And none compare to You're great
And there's no one like you
You're never ending
Never ending great
Almighty Saviour
You never fail
You hold all power There's never a challenge
Or a need to worry
We always win Because You're great
And there's no one like you
You're true
And none compare to You're great
And there's no one like you
You're never ending
Never ending You're great
And there's no one like you
You're true
And none compare to
You're great
And there's no one like you
You're never ending
Never ending No sickness
Is stronger than you
No power
Is greater than you
No wisdom
Is wiser than you
You're greater
You're greater No sickness
Is stronger than you
No power
Is greater than you

No wisdom
Is wiser than you
You're greater
You're greater Greater Greater
Greater
No one compares
For you are... Stronger
Stronger
You're greater
You're greater Our God is greater,
Our God is stronger,
God you are higher than any other. Our God is Healer,
Awesome in Power,
Our God! Our God! Our God is greater,
Our God is stronger,
God you are higher than any other. Our God is Healer,
Awesome in Power,
Our God! Our God! And if our God is for us,
Then who could ever stop us.
And if our God is with us,
Then what can stand against. And if our God is for us,
Then who could ever stop us.
And if our God is with us,
Then what can stand against. Then what can stand against... Our God is greater,
Our God is stronger,
God you are higher than any other. Our God is Healer,
Awesome in Power,
Our God! Our God!
