

# Notion (Instrumental)

## Tash Sultana

I hear the birds  
When they're singing  
I hear the sirens  
When they're ringing  
But I can't take my mind off of you  
A thousand words, pouring out  
The distance of over there  
Is moving on and out  
You said it'd be alright  
A thousand words, pouring out  
The distance of over there  
Is moving on and out  
You said it'd be alright  
How 'bout these notions  
Hmm, they're deep as ocean  
Calling out my name  
Screaming out in vain  
Singing hallelujah Tell your mother, she don't understand  
Tell your mother, she's not listening  
Why don't you tear my heart  
It chains me to [?]  
Have all the dice. [?]  
That don't matter, [?]  
I will follow you  
Into the dark How 'bout these notions  
Hmm, they're deep as ocean  
Calling out my name  
Screaming out in vain  
Singing hallelujah  
These notions  
Hmm, they're deep as ocean  
Calling out my name  
Screaming out in vain  
Singing hallelujah Singing hallelujah to you  
Calling out my name  
I'm in the deep end, ocean  
Calling out my name  
Singing hallelujah to you
