

It's Hot Down Here

James King

All of my life (all of my life) lived a life of sin (lived a life of sin)
I wouldn't let (i wouldn't let) my dear savior come in (dear savior come in)
But i thought that i would go (but i thought that i would go)
Up to heaven anyway (up to heaven anyway)
But i found that i was wrong when i faced the lord on judgement day

Oh it's hot down here (need a cool drink of water)
Has anybody seen (my wife and little daughter)
Well they've all gone (up to heaven no doubt)
Up to heaven no doubt (gonna sing and shout)
Lord it's hot down here
Lord send me some rain and get this fire put out

Well listen to me sinner (listen to me sinner)
Don't you want to go (don't you want to go)
Up to heaven some day (up to heaven some day)
Just to see your dear lord (just to see your dear lord)

Don't you be like me (don't you be like me)
Lived a life of sin (lived a life of sin)
Fall down on your knees and open up your heart
And let the lord come in.. Chorus-break-chorus
