

# Dead on Arrival

## Arabesque

My rig is red  
But I need to see your face  
My spirit's breaking as I fight the dead  
And I fall adrift in space I cannot die here  
These beasts won't take my soul  
I promised to see you again  
I promised to make us whole Deja-vu again and again, I swear I saw you there.  
I'd give my life, to run my fingers through your hair.  
I cannot die (Just let me die) I cannot fall (Just let me fall)  
My heart still beats for you,  
My grave was made for two.  
My silenced life stole my eyes as I saw we are all,  
Dead on Arrival!  
I want to believe,  
That this isn't hell.  
But I've given up, yeah  
now I'm just a shell.  
This darkness is mine,  
and so is this blood.  
I'd say that I'm fine,  
But lies are for the living. Deja-vu again and again, I swear I saw you there.  
I'd give my life, to run my fingers through your hair.  
I cannot die (Just let me die) I cannot fall (Just let me fall)  
My heart still beats for you,  
My grave was made for two.  
My silenced life stole my eyes as I saw we are all,  
Dead on Arrival! Take me...  
I am your martyr.  
These symbols, they won't go away.  
There's nothing left here to save.  
These symbols they won't go away.  
These thoughts have made me their slave. Deja-vu again and again, I swear I saw you there.  
I'd give my life, to run my fingers through your hair.  
I cannot die (Just let me die) I cannot fall (Just let me fall)  
My heart still beats for you,  
My grave was made for two.  
My silenced life stole my eyes as I saw we are all,  
Dead on Arrival!
