

Juliet of the Spirits

The B-52's

Juliet, I can feel your glow
Of passions ready to explode
Secrets you kept should all be told
Like blossoms ready to unfold Juliet, you're not afraid anymore
Juliet, Juliet, I'm not afraid anymore Sweet love's comin' on, oh
Girl can you hear it? Oh, oh, oh
Standing in the sunshine, oh
Juliet of the spirits Pleasure is calling you, oh
Girl can you hear it? Oh, oh, oh
Sweet love hon' is what you need, oh
Juliet, I can feel it Spirits, let your cool light shine
Visions swirling, let me tell you mine
You're a force of nature, can't be controlled
You know you've got it girl, c'mon and let it show Juliet, you're not afraid anymore
Juliet, Juliet, I'm not afraid anymore Sweet love's comin' on, oh
Girl can you hear it? Oh, oh, oh
Standing in the sunshine, oh
Juliet of the spirits Pleasure is calling you, oh
Girl can you hear it? Oh, oh, oh
Sweet love hon' is what you need, oh
Juliet, I can feel it Lady be a cool
Set your pleasure free
Lady don't you be a fool
Let your pleasure go, go, go Pleasure is calling you, oh
Girl can you hear it? Oh, oh, oh
Sweet love 'hon is what you need, oh
Juliet, I can feel it Oh, yeah
Oh, yeah
Oh, yeah
Oh, yeah Oh, yeah
