Jeans

Jullie

you got your slimfit jeans
and i got my junkie jeans
she got my baggy jeans
and i dont like tacky jeans
i'm into my own jeans
i'm into my own jeans
you got them 501's
and i got my own jeans

she's wearing hers with class
but she got them up her ass
i'm into my own jeans
i'm into my own jeans
she got them overalls
and keeps wearing them to balls
he got some hammer jeans
he want them by his knees
