

# Jeans

## Julie

you got your slimfit jeans  
and i got my junkie jeans  
she got my baggy jeans  
and i dont like tacky jeans  
i'm into my own jeans  
i'm into my own jeans  
you got them 501's  
and i got my own jeans

she's wearing hers with class  
but she got them up her ass  
i'm into my own jeans  
i'm into my own jeans  
she got them overalls  
and keeps wearing them to balls  
he got some hammer jeans  
he want them by his knees
