

# Circle

## Crying Machine

Circle encircles the earth  
Chance and choice break his heart  
His innocent arm moves  
To save me and I am spared  
His beautiful arm is bloody and cut off  
His heart ripped out to show me he loved me  
But I would'nt believe him  
He did all that he could, I still would not believe him  
I left his arms empty and tied  
Outstretched for me until he died  
I left his arms empty and tied  
Outstretched for me until he died  
No man shows greater love  
Than when a man lays down his life for his beloved  
I left his arms empty and tied  
Outstretched for me until he died  
I left his arms empty and tied  
Outstretched for me until he died  
And here I'm alive  
And I don't have the right  
He gave me the right costing him his life  
New mercy's in the morning  
I believe, what if I believe you now?  
Could it ever change this?  
Forgive me, don't leave me  
And please come back to life  
I believe, what if I believe you now?  
Could it ever change this?  
Forgive me, don't leave me  
And please come back to life  
Come back to my life  
I believe, what if I believe you now?  
Forgive me, relieve me  
Please come back life
