

# Comfort you

C.J. Chenier

I will come  
Come to comfort you  
I will come  
Come to comfort you  
I will come  
Come to comfort you  
I will come  
Come to comfort you

I'm coming, I'm coming  
I'm coming, I'm coming  
I'm coming, I'm coming  
I'm coming, I'm coming  
I'm coming, I'm coming  
I'm coming, I'm coming  
I'm coming, I'm coming  
I'm coming, I'm coming
