

Circle (Live Version)

[Harry Chapin](#)

All my life's a circle, sunrise and sundown
The moon rolls through the nighttime, till the daybreak comes around
All my life's a circle and I can tell you why
The season's spinnin' round again the years keep rollin' by It seems like I've been here before, I can't remember
when
But I got this funny feelin' that I'll be back once again
There's no straight lines make up my life and all my roads have bends
There's no clear-cut beginnings and so far no dead-ends I found you a thousand times I guess you've done the
same
But then we lose each other it's just like a children's game
But as I'm standing here with you the thought runs through my mind
Our love is like a circle, let's go 'round one more time All my life's a circle, sunrise and sundown
The moon rolls through the nighttime, till the daybreak comes around
All my life's a circle and I can tell you why
The season's spinnin' round again, the years keep rollin' by Oh all my life's a circle, sunrise and sundown
The moon rolls through the nighttime till the daybreak comes around
All my life's a circle and I can tell you why
The season's spinnin' round again, the years keep rollin' by Oh all my life's a circle there's sunrise and sundown
The moon rolls through the nighttime
